Benefits Checklist for New, Rehired and Transferred Civilian Employees

This checklist applies to new, rehired and transferred employees who are eligible for Federal benefits. Generally, employees hired on or converted to appointments described as permanent or indefinite are eligible for Federal benefits. This information is very important to you personally. It is your responsibility to understand and manage your Federal benefits. Most benefits have time limitations on enrollment and making changes. All Air Force-serviced civilian employees will submit their elections to enroll (or make changes) in FEHB, FEGLI, and TSP (regular and catch-up) using the electronically web based Government Retirement and Benefits Application (GRB). GRB has information in all the benefits areas, including general and personal information, as well as retirement and TSP annuity estimates. The Benefits and Entitlements Service Team (BEST) is located at the Air Force Personnel Center (AFPC), Randolph AFB, Texas. BEST is responsible for providing customer service and current benefits information for Air Force civilian employees in the following programs: FEHB, FEGLI, TSP, Retirement (and retirement related) Programs and Survivorship (counseling and/or claims assistance for employee death-in-service and family member death). To access the BEST Phone System, 1-800-525-0102 or DSN 665-0102 / Comm 210-565-0102, you will need your SSAN and use the four-digit default PIN which is equivalent to month and year of birth, i.e. MAY 1980 is 0580.

As you transition to your new appointment, use this checklist to keep track of your benefits and any appropriate updates.
