

VOTING ASSISTANCE INFORMATION

For In-bound, PCS-ing, & Deploying PERSONNEL

Your Installation Voter Assistance Office is here to help you exercise the very right you protect—your right to vote! We can help you register to vote, request an absentee ballot and notify your local election officials back home of a change of address. The information below is provided for you as you get ready to transition and are thinking of what you must do before and after you make that change in assignment or go on your deployment or separate/retire.

Federal Post Card Application (FPCA): The FPCA can be used to register to vote while simultaneously requesting an absentee ballot. It can also be used to submit a change of address to your local election officials. You can now go online to <https://www.fvap.gov/r3/fpca/home> and use the FPCA Wizard that will help you register, request your absentee ballot and/or change your address while providing you with all of your state-specific information and requirements to vote!

Federal Write-In Absentee Ballot (FWAB): The FWAB can be used as a backup in case you have already registered to vote or sent in an FPCA to both register and request your absentee ballot, but you have not yet received your absentee ballot from your State. Like the FPCA, you can go online to fill in the FWAB at <https://www.fvap.gov/r3/fwab/home> and use the FWAB Wizard that will help you to vote in Federal elections, even filling in your candidate choices based on your State of residence!

Both the FPCA and FWAB Wizards will provide you with a filled in form. All you have to do is **print, sign and date it**, and return it to your election official via the directions provided (some States allow you to fax, and/or e-mail your signed form if you —PDF and scan it to your computer).
